

Annual National Conference of Parent Carer Forums

Engage, Empower, Enable
#LetsParticipate18

Sponsored by

Planning Partners

What have parent carer
forums ever done for us?

What they say about us

You don't represent me!

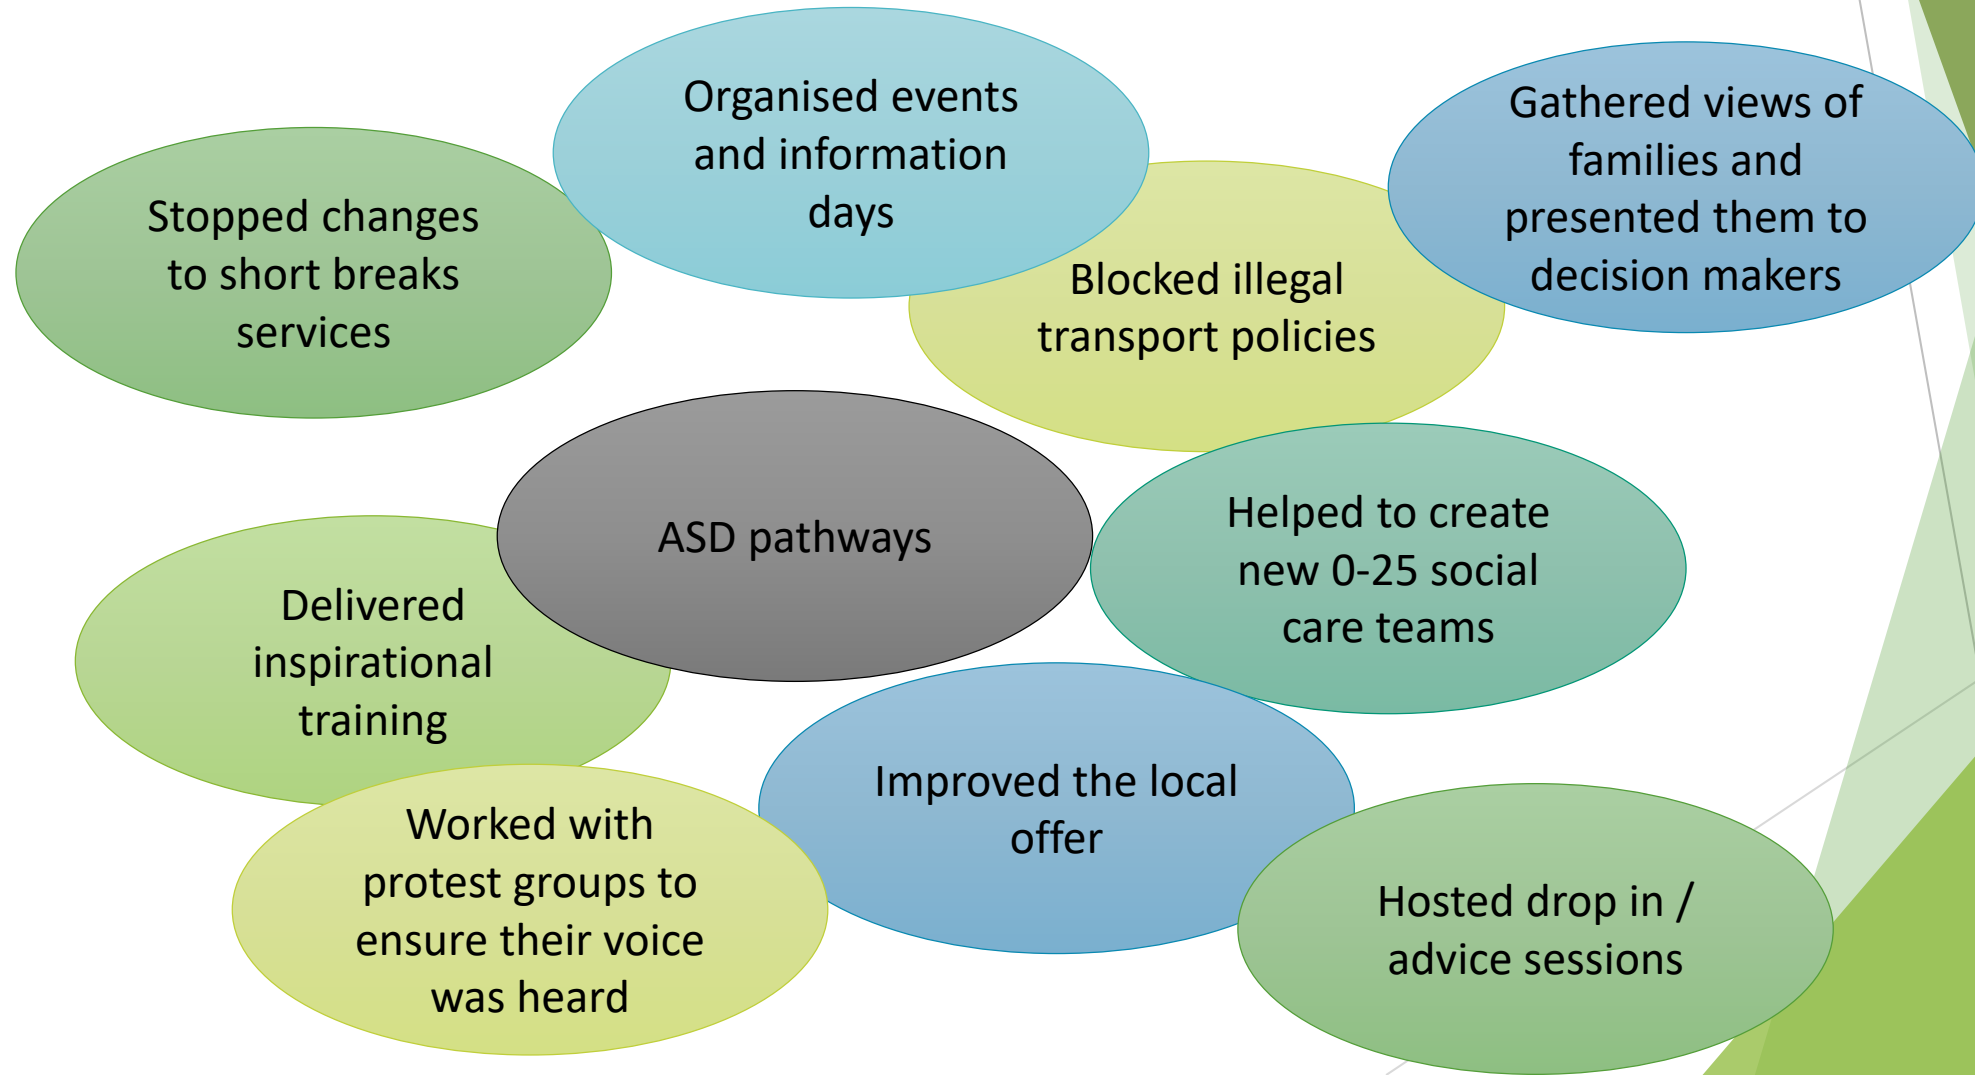

You're in the local authority's pocket!

What have parent carer forums ever done for us?

Whose side are you on?

You're only in it for the money!

What have parent carer forums ever done for us?

Common themes

- Co-production
 - Really understanding what families want and need
- Person centred and outcome focussed.
 - Children Young People and their families put at the heart of services not processes, policies or budgets
- Joint working
 - Different agencies overcame obstacles to work together to build improved services

STOP Policy

Practice **STOP**

STOP Culture

How have forums been a part of culture change?

- How have you worked to change culture in your area?
- What impact did this have?
