The Grant Monitoring Form and Proofs of Expenditure must be submitted by **Wednesday 29th April 2020**.

**Format accepted for Proofs of expenditure**

Due to the Coronavirus outbreak, we will not be able to accept Proofs of Expenditure by post this year. This is to protect forum members from making journeys and also members of the participation team from unnecessary risk. If this presents a problem for your forum, please contact Ben Bennett to talk through the options available.

If you have scanned proofs, please send them via Dropbox [www.dropbox.com](http://www.dropbox.com). If you are unable to do this, please contact the grants team and we can discuss potential solutions together. [pcfgrants@contact.org.uk](mailto:pcfgrants@contact.org.uk)

**Please note:**

In some circumstances proofs of expenditure will need be shared with relevant members of the forum to confirm their legitimacy and accuracy.

We may be required to share data and proofs of expenditure with local authorities or other funding bodies for fraud prevention purposes, if fraud is suspected or investigated.

What makes a proof of expenditure acceptable or unacceptable?

It's important to be clear about this, because unacceptable proofs of expenditure accompanying your grant monitoring form will be deducted from your total grant spend. This is likely to leave an under spend on your account for the following year.

Please contact your Parent Carer Participation Advisor to discuss any potentially unacceptable proofs of expenditure at the earliest opportunity. The sooner issues are discussed; the easier it is for problems to be resolved. Legible copies of any of these documents must be included and referenced with the monitoring and reporting form.

**PLEASE NOTE**

**Date of POE (proof of expenditure):**

- The date of a proof of expenditure will normally be in the financial year 2019/20
- A proof can be dated after the end of the financial year (31 March 2020), as long as it relates to goods purchased, activities which occurred, or services that were delivered in the previous financial year (2019/20).

**Illustrated by the example below:**
You hold an event in early March 2020 but the venue does not invoice you until late April 2020. This can be paid for using the 2019/20 the grant, as it is the date when the service or activity happened which matters, not the date of invoicing.

This is the principle of accrued payment. An accrued payment is when a payment is recognised in the accounts before the money has been paid out. It is, however, advisable to seek any outstanding invoices as soon as possible so that you are able to include them within the 2019/20 grant monitoring.

**Referencing:**
- Each proof of expenditure (POE) document should be referenced in some way, whether that is simply by writing a number on the item, or some other system of referencing that relates to budget headings e.g. Events (proof E1, E2 etc.). These reference numbers/letters can be listed on your financial spreadsheet and/or the grant monitoring form. You do not need to include these reference numbers in the online form if you are also submitting a spreadsheet which has all of this information on it.
Contact Monitoring Spreadsheet:
- If you don’t have an accounts package, or have an accounts package that is not able to separate out different grants, we advise you to use the monitoring spreadsheet provided on the Parent Participation Grants pages of the Contact website to record and keep track of your grant expenditure.

Small Sundry Items:
- Although you must account for all expenditure, you do not have to include proofs of expenditure for small sundry items of less than £20 each, for example the purchase of milk or other small provisions for an office, or one-off unexpected parking costs. However, sundry items which are not documented by individual proofs of expenditure should not exceed £250 in total.

Lost a Proof?
- If you lose a proof of expenditure, please contact the provider to try to obtain a duplicate invoice. Failing this, a copy of the relevant bank statement showing that the money left the forum’s/grant holder’s account and a copy of the cashed cheque showing the payee’s name will be acceptable.

Expenses:
- No expenses should be paid in advance or without appropriate proofs of expenditure i.e. receipts for train tickets, parking tickets.
- Petrol receipts are not acceptable; mileage should be claimed at the agreed rate, and in accordance with your expenses policy.
- Expenses submitted from receipt books, stubs, or handwritten on pieces of paper may be rejected and classed as under spend to be deducted from the following year’s grant.

Expenses Claim Form:
All claims for expenses should be submitted on an expense claim form which as a minimum should contain the following information:
- Date of the claim
- Name, address and phone numbers/emails of the claimant
- Date and details of the activity
- If travel expenses – where from and to – if a return journey etc.
- Amount of mileage for the journey
- Signature of the claimant to confirm that the expenses were on behalf of the forum
- Signature of the forum officer approving the claim
- Attach receipts for everything other than mileage - such as bus fares, taxi fares etc.

If the claimant has lost a receipt, you should refer to your Financial Control Policy to decide whether you will allow the expense and should indicate on the form where this is the case.
We will not allow payments with lost receipts which total more than £10 unless there are exceptional circumstances, or additional proof of expenditure.

- We have provided a template expenses claim form on the parent participation grant pages at: https://contact.org.uk/about-us/resource-library/parent-carer-participation-parental-expenses-claim-form-contact-held-grants/

GDPR & personal security

- Any POEs, especially parent carer expense claim forms should not display the full bank details of the parent claiming. If your claim form does show this information, please ensure that only the last 4 digits are visible.
- Any proofs sent via email should be password protected as email isn’t always a secure mode of communication.

Remuneration Claim Form:
Remuneration claims and invoices should as a minimum should contain the following information:

- Date of the claim
- Name, address and phone numbers/emails of the claimant
- Date and details of the activity being claimed for – i.e. what meeting/for how long
- Amount being claimed
- Signature of the claimant to confirm that they were representing the forum
- Signature of the forum officer approving the claim

If the forum issues a payment for an employed, or self-employed worker that includes both fees for staffing and remuneration, there will need to be clear supporting documentation to outline what the remuneration was awarded for (e.g. the meetings attended), the hourly rate paid, and who approved it. Information relating to the outcomes of this remunerated activity should also be included in the monitoring form.
