

PROOFS OF EXPENDITURE GUIDANCE 2022-23

The Grant Monitoring Form and Proofs of Expenditure (POEs), when requested by Contact, must be submitted by **Friday 29th April 2021**. Not all forums will need to submit their POEs this year.

Format accepted for Proofs of expenditure

If required, proofs of expenditure must be scanned and submitted via the provided link to DropBox or sent by email. If this presents a problem for your forum, please contact Ben Bennett to discuss how we can support you: pcfgrants@contact.org.uk

Please note:

If we do request your forum's POEs, in some circumstances they will need be shared with relevant members of the forum to confirm their legitimacy, or accuracy.

We may be required to share data and POEs with other funding bodies for fraud prevention purposes, if fraud is suspected, or investigated.

What makes a proof of expenditure acceptable, or unacceptable?

It's important to be clear about this because unacceptable proofs of expenditure accompanying your grant monitoring form will be deducted from your forum's total grant spend. This will result in an underspend which means that it will be deducted from your following year's grant.

Please contact your Parent Carer Participation Advisor to discuss any POEs that you think might be unacceptable at the earliest opportunity. The sooner issues are identified; the easier it is for problems to be resolved. Legible copies of your forum's POEs must be included and referenced with the monitoring and reporting form if requested.

PLEASE NOTE

Date of POE (proof of expenditure):

- The date of a proof of expenditure will normally be in the financial year 2021/22
- A proof can be dated after the end of the financial year (31 March 2021), as long as it relates to goods purchased, activities which occurred, or services that were delivered in the previous financial year (2021/22).

Illustrated by the example below:

You hold an event in early March 2022 but the venue does not invoice you until late April 2020. This can be paid for using the 2021/22 the grant, as you are expecting it and have accounted for it - it is the date when the service or activity happened which matters, not the date of invoicing.

This is the principle of accrued payment. An accrued payment is when a payment is recognised in the accounts before the money has been paid out. It is advisable to

request any outstanding invoices as soon as possible so that you can include them within the 2021/22 grant monitoring.

Referencing:

- Each proof of expenditure (POE) should be referenced in some way, whether that is simply by writing a number on the item, or some other system of referencing that relates to budget headings e.g. Events (proof E1, E2 etc.). These reference numbers/letters can be listed on your financial spreadsheet and/or the grant monitoring form. **You do not need to include these reference numbers on the online form if you are also submitting a spreadsheet which has this information on it.**

Contact Monitoring Spreadsheet:

- If you don't have an accounts package, or have an accounts package that is not able to separate out different grants, we advise you to use the monitoring spreadsheet provided on the Parent Carer Participation Grants page of Contact's website to record and keep track of your grant expenditure.

Small Sundry Items:

- Although you need to account for all expenditure, you do not have to include proofs of expenditure for small sundry items of less than £20 each, for example the purchase of milk or other small provisions for an office, or one-off unexpected parking costs. However, sundry items which are not documented by individual proofs of expenditure should not exceed £250.

Lost a Proof?

- If you lose a proof of expenditure, please contact the provider to try to obtain a duplicate invoice. Failing this, a copy of the relevant bank statement showing that the money left the forum's/grant holder's account and a copy of the cashed cheque showing the payee's name will be acceptable.

Expenses:

- No expenses should be paid in advance or without appropriate proofs of expenditure i.e. receipts for train tickets, parking tickets.
- Petrol receipts are not acceptable; mileage should be claimed at the agreed rate, and in accordance with your expenses policy.
- Expenses submitted from receipt books, stubs, or handwritten on pieces of paper may be rejected and classed as underspend to be deducted from the following year's grant.

Expense Claim Form:

All claims for expenses should be submitted on an expense claim form which as a minimum should contain the following information:

- Date of the claim
- Name, address and phone numbers/email address of the claimant
- Date, and details of the activity

- If travel expenses – where from and to – if a return journey etc.
- Amount of mileage for the journey (journey A to B)
- Signature of the claimant to confirm that the expenses were legitimate and incurred on behalf of forum business
- Signature of at least one forum officer approving the claim (not a spouse, partner, or relative of the claimant)
- Attach receipts for everything other than mileage - such as bus fares, taxi fares etc.

If the claimant has lost a receipt, you should refer to your Financial Control Policy to decide whether you will allow the expense and should indicate on the form where this is the case. We will not allow payments with lost receipts which total more than £10, unless there are exceptional circumstances, or additional proof of the expenditure.

- We have provided a template expenses claim form on the parent participation grant pages at <https://contact.org.uk/about-us/resource-library/parent-carer-participation-parental-expenses-claim-form-contact-held-grants/>

GDPR & personal security

- Any POEs, especially parent carer expense claim forms should not display the full bank details of the claimant (unless you are claiming via a Contact held grant). If your claim form does show this information, please ensure that only the last 4 digits are visible.
- Any proofs sent via email should be password protected as email isn't always a secure mode of communication.

Remuneration Claim Form:

Remuneration claims and invoices should as a minimum should contain the following information:

- Date of the claim
- Name, address, phone number/email address of the claimant
- Date and details of the activity being claimed for – i.e. what meeting/for how long
- Amount being claimed
- Signature of the claimant to confirm that they were legitimately representing the forum
- Signature of at least one forum officer approving the claim (not a spouse, partner, or relative of the claimant)

If the forum issues a payment for an employed, or self-employed worker that includes both fees for staffing and remuneration, there will need to be clear supporting documentation to outline what the remuneration was awarded for (e.g. the meetings attended), the hourly rate paid, and who approved it. Information relating to the outcomes of this remunerated activity should also be included in the monitoring form.
